

**REMARKS**

Prior to this amendment, claims 1-37 and 39-49 were pending. Claim 38 was previously cancelled. In response to the Examiner's restriction requirement, the Applicants elect, without transverse, Group II including claims 10-15 and 39-44 for continued prosecution.

Accordingly, by the above amendment Applicants have cancelled claims 1-9, 16-37 and 45-49 without prejudice. The Applicants expressly reserve the right to continue prosecution on the cancelled claims 1-9, 16-37 and 45-49 in one or more divisional patent applications claiming priority of the above-captioned patent application. Therefore, claims 10-15 and 39-44 are now pending.

For these reasons, Applicants respectfully submit that all of the claims are now in a condition for allowance, and allowance at an early date would be appreciated. Should the Examiner have any questions or comments, they are encouraged to call the undersigned at 414-271-7590 to discuss the same so that any outstanding issues can be expeditiously resolved.

Respectfully submitted,

ANDRUS, SCEALES, STARKE & SAWALL, LLP
